

HANSE SURVEY

Do you have knowledge of and a passion for ships? Great - the rest we will teach you! Due to continued growth, we are looking for a **Naval Architect** to join our young but experienced team of Marine Surveyors with immediate effect.

Naval Architect (M/F/D)

Our Company:

We are a young survey company located in the North of Germany. Our activities are mainly in the major ports of Lower Saxony but also involve occasional travel abroad (E.g. Poland, Turkey, UK, Baltic Sea, US, Canada).

Your Profile:

We are looking for a Naval Architect (BSc) with knowledge of shipping. You have experience with MS Office and (ideally) Autodesk products. You'll have good English communication skills and can hold your own in German. You have flexibility, a willingness to travel and a driver's license to enable you to do so. You are interested in expanding your knowledge and are capable of working independently.

Duties and responsibilities:

As part of our team, you will be providing various types of Marine Surveys on vessels. Our core activity is Loading- and Cargo Condition Surveys but we are committed to investing in our people and will provide you with support and training to develop your skills and knowledge of a range of surveys. For an overview of the services we provide, please visit our website: www.hanse-survey.de. Furthermore, you will be involved in the Calculation of Strength requirements, designing and further engineering activities.

What we offer:

- Friendly working environment where your input is welcomed
- Prudent training and excellent support
- Interesting and varied activities & tasks
- Home office possibility
- Fair and appropriate remuneration
- Company car (after completion of trial period)
- Mobile phone
- Pension plan

We are happy to answer your questions by phone on +49 (0) 170 58 60 233.

If you are interested, please send your application to:
